

IN THE SPECIFICATION

5 Please amend the first paragraph in the **BACKGROUND OF THE INVENTION** as the following. The amendment is based on the suggestion in the office action. No new matter is added.

BACKGROUND BACKGSEMI-ROUND OF THE INVENTION

Air cushion shoes have become a popular trend of current shoes since the air cushion shoes provide elastic soles to users so as to buffer the impact
10 applied on the bottoms of the legs. Moreover, the air cushion shoes increase the efficiency in exercises.
